Administrative history / Biographical sketch

The Lakehead Social History Institute is a partnership between historical researchers at Lakehead University and members of the Thunder Bay community. Active since 1997, the Institute supports and promotes historical research in the Northwestern Ontario region. The Institute facilitates research, trains new researchers, disseminates information about historical resources, conducts workshops, assists educational and community organizations, supports historical publications, and encourages local groups to preserve archival materials.

Custodial history

Records were donated by Ernie Epp in December 2024. a;weijawjff

Scope and content

The Lakehead Social History Institute is a partnership between historical researchers at Lakehead University and members of the Thunder Bay community. Active since 1997, the Institute supports and promotes historical research in the Northwestern Ontario region. The Institute facilitates research, trains new researchers, disseminates information about historical resources, conducts workshops, assists educational and community organizations, supports historical publications, and encourages local groups to preserve archival materials.

The fonds includes meeting minutes, correspondence, research projects, funding applications, workshop materials, membership lists, and publications. It also contains records of collaborations with educational institutions and community organizations, reflecting the Institute's commitment to advancing historical research and public engagement.

Notes

Arrangement

Records were arranged as part of processing, Winter 2025.

Alternative form available

Digital records extracted from removable media are stored in Permafrost as LSHI_2025.

Restrictions on access

Some files throughout contain contact information and other personal information of individuals associated with the Institute. Use of these files will be restricted; the rest will be unrestricted.
